

## VIVACE

The Vivace Experience provides immediate results with no downtime and it's virtually pain free. With results you can see, you will look and feel your best at any age.

### POST CARE:

- A Soothe Mask will be placed on your face after your VIVACE treatment for about 20 to 30 minutes.
- For cleansing, use a very mild, soothing cleanser.
- Refrain from applying make up until the following day.
- Use clean makeup brushes. Mineral-based makeup is best during the post-treatment period.
- Do not use any additional skincare products during the first 24 hours following your treatment, unless advised by your clinician.
- Do not exercise or increase your heart rate 24 to 48 hours post treatment.
- **Avoid all sun exposure for up to three days post treatment.** Wear a hat and sunscreen.
- Refrain from deep exfoliation and/or retinol products for 7 to 10 days post-treatment.

Please do not hesitate to contact our office should you have any questions or concerns following your procedure. 919-948-6355
